ISSUE OF STOCK

OPEN FOR SUBSCRIPTION AND FIRST PAYMENT.

SHARES \$2.50 PER MONTH,

Subscriptions for the 52d issue of stock and first payment thereon will be received daily from 9 a. m. to \$30 p. m. at the office of the Association. Four per cent interest per annum is allowed on shares. Upon maturity of stock full earnings are paid.

The EQUITABLE has strictly carried out, in the past twenty-seven years, since its organization, with conservative business methods, its object and plan as a purely co-operative saving and loaning association. It has steadily increased in the number of shareholders and in the volume of business and assets, and has secured the largest degree of practical help and success to both those who save on stock and to those who borrowed to pay for property.

Further information will be cheerfully furnished upon application at the office,

## Does It Really Pay?

Some people think it is an easy matter to make real estate really pay. It is only easy, however, with those who have solved the problem through careful study and long years of experience. There are so many little things to consider. Let us demonstrate to you what we are daily demonstrating to hundreds of others. You will be surprised.
